Thursday, 5 May 2022

Dear Team Peru,

On behalf of the IOI 2022 Indonesia Host Organising Committee, it is my pleasure to invite your national team (one leader, one deputy leader, four contestants, and additional guests if any) to attend onsite the 34th International Olympiad in Informatics which will be held in Yogyakarta, Indonesia, 7-15 August, 2022. The IOI is the world's leading computer science competition for secondary school students, and was first initiated by UNESCO. The IOI 2022 is co-organised by The Center of National Achievement (Puspresnas) and the Indonesian Computing Olympiad Alumni Association (IA TOKI).

The IOI 2022 Indonesia Host Organising Committee will cover local expenses for the team while in Yogyakarta from 7 August to 15 August. Please note that you will be responsible for your own medical insurance and travel including transits to and from Yogyakarta (arrival/departure airport: Yogyakarta International Airport). The team registration fee (covering leaders and contestants) of 200 Euros is required by the IOI Foundation and is payable on the first day of the IOI 2022. Guests from your country are also welcome to register, at an additional fee of 1500 Euros per guest to be paid upon registration. Any questions regarding registration should be directed to registration@ioi2022.id.

For up to date program and details (including Travel & Visa information) regarding IOI 2022, please check our official website at ioi2022.id regularly, and follow our official social media accounts (Facebook: ioi2022id, Instagram: ioi2022id, YouTube: IOI 2022 Indonesia). Any other and general inquiries should be directed to contact@ioi2022.id.

We look forward to welcoming you in Yogyakarta, Indonesia.

Yours sincerely,

Rizal Alfian
Chair of Host Organising Committee, IOI 2022
